LIPE SIZES, IN CRAYON.

A new style of Portrait just introduced. They blend the delicacy of the Crayon Shetch with the vigorous effect of the Photograph in a remarkable degree. They are sold at from \$2,

CRAYON VIGNETTES, Suited to the portrayal of ladies or children, are also a new

feature in Photography. A sitting for either of the above styles occupies but S seconds. LARGE GROUPS

Of FAMILIES or FRIENDS are taken almost instantaneously, and may be made of any desired size. Taken by the new process groups are free from the crude severity which usually charactorizes those made by the Camera. Twenty or thirty persons may be portrayed at once perfectly. The result may be finished in oil or water colors, and is susceptible of the most elaborate artistic finish. The case and simplicity with which they are made render them comparatively inexpensive. Portraits of an entire family may be obtained by this method at little more

than the cost of a single picture. PHOTOGRAPHS IN WATER COLORS

Possess, in addition to their reality as likenesses, the brilliant artistic effect of water-color sketches. Those exhibited by Mr. Brady are pronounced by recent visitors to European galleries superior to any similar works in Europe.

MINIATURE PHOTOGRAPHS, exquisitely elaborate. sainted to resemble minatures upon ivory, from \$5 to \$50 each. They may be set in bracelet, lockets, or small cases. PLAIN PHOTOGRAPHS of every size, and at every price

rem \$1 to \$10. Duplicate copies, per dozen, at a trifling cost. These are suitable for interchange among Clubs, Classes, Associations, or Families. AMBROTYPES, a beautiful style of MINATURE, made

instantaneously, and finished ready for delivery in a few minutes. The process is admirably suited to the production of PORTRAITS of CHILDREN. From twenty to thirty different styles of portraits are made at BRADY'S CALLERY, adapted to every taste and de-

signed to accommodate every pecuniary condition. The superior quality of the PHOTOGRAPHS will in all cases be preserved. A partial resumption of the old prices will soon become necessary. The effect of the reduction has been decisive, and,

if present prospects are realized, the establishment will be unable, at the reduced rates, to supply the increased demand Due notice will, however, be given of any future change. BRADY'S LOWER GALLERY, No 205 Broadway, will be found convenient by those occupied down town who desire portraits. It is in the vicinity of the
